# Frequently asked questions

## Why is the Recurrence Benefit important?

If you receive a benefit for a condition or type of condition covered under this plan and are later diagnosed with the same condition, a Recurrence Benefit may be payable. If this happens to you we'll pay you an additional benefit if you meet the Recurrence Benefit requirements for that condition. Not all covered conditions are eligible for recurrence. See your Certificate for more information on recurrence benefits. Benefit requirements may vary by condition.

## Can I receive benefits for more than one critical illness?

Yes. Only one condition is payable if more than one condition is diagnosed on the same date. You can only claim benefits once for each covered condition unless a Recurrence Benefit is payable.

## How do I file a Critical Illness claim?

If you have a diagnosis after the effective date of coverage, you can file a claim with us online by visiting [www.sunlife.com/onlineclaims](http://www.sunlife.com/onlineclaims) or by downloading forms from our website at [sunlife.com/account](http://sunlife.com/account). We'll ask that you and your doctor provide information about your medical condition.

## How do I get the Wellness Benefit?

You may be paid the benefit when you or a covered family member have a wellness screening, like specific blood tests, cancer screenings, cardiac stress tests, immunizations, school sports exams and more. You can file a claim with us online by visiting [sunlife.com/onlineclaims](http://sunlife.com/onlineclaims). The claim form can also be downloaded from our website at [sunlife.com/account](http://sunlife.com/account).

## What is the Health Navigator Help Line?

You can use the Health Navigator Help Line (accessible by phone or web) to connect with a Care Advisor for

guidance on your medical benefits, upcoming medical appointments, physician referrals or assessment, and recommendations of clinical and community resources.

Additionally, the expert advisory team can help review and answer questions on medical bills and claims, education on the appeals process, fee and payment plan negotiation information, and direct you to financial resources.

## What is AbleTo Self Care?

Digital tools for building resilience and strength. You can choose from meditation, mindfulness activities, journaling and clinician-designed content to help manage stress and achieve goals. Self Care is available to dependents age 13 years and older. Only participants who are 18 years and older have access to the optional weekly check-ins.

## How is my benefit taxed?

If you or your employer pay for all or part of the cost of coverage on a pre-tax basis, some or all of your benefit amount will be tax reported on a Form 1099 as taxable income. Please reach out to a tax advisor or your employer if you have any questions.

## Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue coverage when your employment terminates. Your employer can advise you about your options.
